Congratulations buddy!

Very happy to see this appreciation coming thru from Nance and Ringo. Thanks for all the hardwork in making a positive impact not only on Data Tribe but also on mortgages and consumer lending initiatives which shows the depth of knowledge you gained.

Hi Vamsi/Santhosh,

I would like to take an opportunity to appreciate the commitment and hard work of Ankit.

Ankit has doubled his understanding and efforts in the past year. His curiosity to know more about banking is amazing.
I have not seen many(or any) of his stories spill over. I see him move up the ladder in terms of knowledge and ability which can land him in team leader s role.
Not only he does a quality work but he takes time to pitch in when needed and helps out our growing team with positive attitude and willing disposition.

Good work Ankit! Looking forward to work with you this year in all major projects.

Thanks,
