Hi Ankit,

Hope you are doing safe,

If the device has been received we request you share the return attachment so that we can update in our records and then you can place a new order.

We request you to contact the vendor for the status of the delivery so that you can update us.

Regards

Hi Team,

Apologies for the delay response.

I still didn't get the phone yet. Even when I try to login in the Samsung corporate portal ,it is not showing my order. Could you please guide me for the same.

Thanks
Ankit

Hi Ankit,

Thanks for your email.

Did you receive your order or is it still pending? If pending did you call vendor to check on it?

Let us know if you have any questions.

Thanks & Regards,

Hi Team,

I had placed my order for Samsung A72 under Deloitte Smartphone Corporate Programs on 28 March & it got approved as well. My Address with phone number mentioned was correct but I did not get any calls from the delivery partner & now if I check the status, its being under returned Status. Could you please guide on the same.

Thanks
Ankit
